## BOOK MANAGEMENT LIST

The screenshot displays the 'BOOK MANAGEMENT LIST' application. On the left is a dark sidebar with navigation links: LOGO, DASHBOARD, BOOK MANAGEMENT (highlighted), BORROW / RETURN, USER MANAGEMENT, MORE TOOLS, and SETTINGS. The 'BOOK MANAGEMENT' menu is open, showing sub-options: List (highlighted in blue), Create/Update, Delete, and Others. The main content area has a top header with a search bar, user role buttons (U, R, S), and a notification badge '1'. Below the header are two buttons: 'MOST BORROWED' (orange) and 'ADD' (blue). The central part of the screen shows a table with 5 columns and 4 rows of data. Each row has three colored circles (orange, grey, blue) on the right. Below the table is a large white box labeled 'BOOK LIST'. At the bottom, there is a pagination bar with a box containing '1' and a '>>' button.

## DELETE BOOK

## ADD BOOK

The image shows a web application interface for a library management system. On the left is a dark sidebar with navigation links: LOGO, DASHBOARD, BOOK MANAGEMENT (with sub-links: List, Create/Update, Delete, Others), BORROW / RETURN, USER MANAGEMENT, MORE TOOLS, and SETTINGS. The top header contains a search bar, user role buttons (U, R, S), and a notification badge with the number '1'. The main content area has buttons for 'MOST BORROWED' and 'ADD'. A modal window titled 'ADD BOOK' is open in the center, containing the following form fields:

- Title:**
- Author:**
- Date:**
- Course:**   (dropdown menu)
- Category:**   (dropdown menu)
- ISBN:**
- Description:**

At the bottom of the modal are two buttons: 'Cancel' (orange) and 'Confirm' (blue).

## CREATE COURSE WHILE ADDING BOOK

BORROW/RETURN

## RETURN A BOOK AND SANCTION IF NEEDED

The screenshot shows a library management system interface. At the top, there is a search bar with the placeholder text "Search" and a magnifying glass icon. To the right of the search bar are three circular buttons labeled "U", "R", and "S". The "S" button has a small orange square with the number "1" above it. Below the search bar, there is a sidebar on the left with several menu items: "LOG", "BOOK MAN", "BORROW/", "USER MAN", "MORE T", and "SETTI". The main area of the interface is a modal form titled "RETURN PROCESS". The form contains the following fields and controls:

- User:** A text field containing the name "Tchakounte Samuel".
- Book:** A text field containing the title "Physics core I".
- Date of borrow:** A text field containing the date "22-02-2010".
- Presumed date:** A text field containing the date "10-03-2010".
- Actual return:** A text field containing the date "17-02-2015". To the right of this field is a small orange triangle with an exclamation mark, indicating a warning or error.
- Book condition:** A text field containing the word "Good". To the right of this field is a small icon of a book with a checkmark.
- Sanction?:** A toggle switch currently set to "No".
- Description:** A large, empty text area for additional information.

At the bottom of the modal form, there are two buttons: an orange button labeled "Return" and a blue button labeled "Return".
